

Turn Back the Hands of Time with TSX

TSX™ supports cellular and telomere health in your body. When your cells and these stretches of DNA function optimally, it may be like turning back the clock and making you feel younger!

Features And Benefits

- Supports telomere function
- Supports cognitive activity
- Supports DNA replication
- Supports healthy organ function
- Enhances efforts to slow aging

This is My Business

Creating Wealth, Health, and Happiness

TSX™

Indulge Your
Desire to Feel
and Potentially
Grow Younger

The Most Advanced Telomere Age-Defying Support

Telomeres are stretches of DNA found at the ends of chromosomes. This repeating DNA sequence acts like an endcap and protects our genetic data. Telomeres make it possible for cells to divide, as well as regulate cellular duplication.

Our bodies manufacture an enzyme that keeps telomeres strong. But as we age, this enzyme production diminishes, resulting in the telomere shortening. As they shorten, more fraying on the strands of DNA and chromosomes occurs, and—as scientists speculate—it results in aging.

Sisel® has an answer to help reverse the aging clock with **Telomere Support Xtreme**—or **TSX™**. This product is a phenomenal breakthrough in science and nutritional technology. **TSX** has the ability to support telomeres in your body which may slow the aging process.

The Natural Science Behind TSX

Our unique processes maximize **TSX's** nutritional content, provides support for the healthy function of your body, helping you feel and potentially become younger at the cellular level. Our powerful combination of **Astragalus**, **Bacopa Monnieri**, and our **Signature Fruit and Vegetable Blend** provides unparalleled antioxidant support for telomeres exposed to dangerous free radicals. **TSX** also helps enhance memory, learning, and focus. **Milk Thistle** and **Turmeric Root Extract** are added to boost support for immunity, cognition, libido, strength, and stamina, as well as improving performance during both exercise and recovery.

The TSX Mission is to End Aging and Grow Younger

Support Your
Telomere
Health.*
