

Sisel Fire & Ice™

Thermogenic, Low-Glycemic Drink Alternative

Fire & Ice™ is an ideal soda (or energy drink) replacement for diet/health conscious consumers. **Fire & Ice** has been formulated as a low-glycemic blend of organic fruits and vitamins that not only tastes good, but is actually good for you. When mixed with 8 to 16 ounces of water it will help to quench your thirst while providing powerful nutritional support for decreasing hunger of a weight loss program.

Dynamic Thermogenic Properties

Fire & Ice has been specially designed to increase support to your body's thermogenic capabilities. It uniquely supports your natural ability to burn fat and store energy. It contains vitamin B, potassium, an array of important micronutrients, buffered caffeine and green tea compounds that combine to help support you in your weight loss program, while boosting your energy level.
