

Sisel® Kaffé Flavored Sencha Tea

Premium Japanese Sencha Tea

For thousands of years, green tea has been one of the most popular beverages in the world and for good reason. Green tea is not only great tasting, but it provides great benefits for the human body. Green tea's supporting benefits are numerous and include boosting immunity, promoting healthy cell growth, increased energy, diminishing the effects of mental stress, supporting weight loss, along with useful antioxidants.

Sencha Tea is rated by many experts as the finest tasting green tea variety and provides a calming, stress-relieving state that will support to calm you, energizing your mind at the same time. Our proprietary blend contains extracts of the powerful Chaga, Bacopa and Gotu Kola, which increase the potential health effects offered in every cup. Substantial benefits include:

Chaga contains B-vitamins, flavonoids, phenols, minerals and enzymes to support the immune and digestive systems.

Bacopa lends cognitive support.

Gotu Kola's leaves and stems have a long history of supporting respiratory and cardiovascular health.

When the stress of daily life begins to take its toll, brew a fresh cup of **Sisel Kaffé Flavored Sencha Tea** and reset your life as often as you like.
