

Vibrant™ Laundry Detergent

Biodegradable, Earth friendly Laundry Detergent

With all the environmental toxins that you face daily, something as simple as washing your clothes should not be a concern.

Vibrant™ Laundry Detergent is designed to keep your clothes looking cleaner and brighter, yet is gentle on you, your family and on the environment.

Vibrant Laundry Detergent is concentrated so you use less detergent without compromising cleanliness. Our liquid detergent contains safe and effective foaming agents designed to emulsify and hold soils in suspension and then rinses them very freely away. And you will love the pleasant “Mango, Tango” fragrance that neutralizes odors that may have built up in fabrics from using other, less efficient products in the past.

Hard water? No problem. **Vibrant Laundry Detergent** functions well in hard water because of special agents that bind minerals in the water that normally inhibit the cleaning power of the detergent. This assures that the cleaning and rinsing action of **Vibrant Laundry Detergent** is greatly increased rather than bound up and neutralized. Vibrant removes the factors that cause garment graying. Lipsticks, butter, salad oils and dirty collars on shirts may be removed by applying **Vibrant Laundry Detergent** directly on the stain and gently rubbing it for a few minutes before putting it into the wash, thus offering a substantial savings over having to purchase a spot or stain remover.

Don't let another wash day pass using ordinary laundry detergent. Clean, concentrated, and nontoxic to you and your family. Let **Vibrant Laundry Detergent** make your home a Sisel-Safe® home today.

Vibrant™ Laundry Detergent

Biodegradable, Earth friendly Laundry Detergent

975 mL/33 oz

INGREDIENTS:

Aqua, Sodium Dodecylbenzenesulfonate, Sodium Polyacrylate, Alkyl Polyglucoside, Sodium Citrate, Sodium Methyl-2 Sulfolaurate, Disodium 2-Sulfolaurate, Sodium Carbonate, Protease, Amylase, Mannanase, Disodium 4, 4'-bis (2-Sulfonstyaryl) Biphenyl, Cellulase, Lipase, Mango Tango Fragrance, Chlorophyllin-Copper Complex, Methylchlorisothiazolinone, Methylisothiazolinone, Magnesium Chloride, Magnesium Nitrate.

FEATURES AND BENEFITS

- Biodegradable & Earth friendly
- High concentration saves money
- No toxins or harmful chemicals
- Fresh “Mango Tango” scent
- Works well with high efficiency machines

DIRECTIONS

For small to medium loads, use 30 ml or ½ capful. For larger loads or heavily soiled loads, use 60 ml or 1 capful. Add detergent directly to wash water before loading your laundry.

CAUTION

Eye irritant. In case of eye contact, rinse eye(s) thoroughly with clean water for fifteen (15) minutes and then call a physician. Do not swallow. If swallowed, drink a glass of clean water and call a physician. Skin irritant. Wash skin immediately if directly contacted. Once detergent has been added to wash water, it is not considered to be a skin irritant. Keep out of the reach of children.
